AB 187 (Committee on the Budget) Postsecondary education: Cal Grant Program.

As amended, September 4, 2009

Staff recommended position — Support

Senate Floor, second reading

Existing law (SB 1644, Ortiz, Chapter 403, Statutes of 2000) establishes the Cal Grant Program for financial aid awards to college and university students. Cal Grant A and B Entitlement awards are two of the many Cal Grant programs administered by the California Student Aid Commission (CSAC). This bill requires CSAC to establish a voluntary pilot program for an alternative, institution-based delivery system for Cal Grant Entitlement awards. This program will not become effective until at least 30 qualifying public institutions agree to participate, but is limited to 35 institutions.

The bill contains various provisions guiding this pilot program and does not contain a sunset date. The bill requires the Legislative Analyst to report on the implementation of the pilot program by January 10, 2011, though this date will likely be changed to 2012. The bill also reappropriates \$4.3 million for the 2009–10 fiscal year to CSAC for administration of student financial aid programs that had earlier been vetoed by the Governor from its budget.
